Recruitment to I.A.M.C & I.M.S.
Countersignature of Vouching certificates

Continuation Sheet. (W) File No. / Current No. 225 of 43 - 44. Page.

1 From The Secy to the Hon'ble the Resident
No R.F. 203(A)-43/Pol dt 31st Jany. 44 forwg
a Copy for extract of letter and a Copy of Correspdce
from the Dir Genl I.Mds on relative to Vouching
Certificates for Countersignature and enquiring whether
the Govt has any objection to the officials being
entertained in the I.M.S or I.A.M.C

(W) The Correspdce from the Dir Genl I.Mds
states that in the case of a Candidate practising in or
who is a subject of an Indian State, the Vouching Certificate
may be signed by any responsible officer of the State
provided that it is countersigned by any responsible
officer of the Political Dept accredited to the State
Concerned; in the case of the Vouching Certificates now
sent either the S.S or the D.M.O concerned has signed them
Perhaps the Chief Secy may Countersign the Vouching
Certificates. The Resy wants to know whether the
Govt has any objection to the officials being
entertained in the I.M.S/I.A.M.C. In the case of Govt
officers the officiating or Vaccinators from the S.S or
the C.M.O Women Hospitals are transmitted to the Resy
As such a reference will be sent that the Govt has no
objection. The Residency letter further requires
that the Signatures on the Certificates may be verified.
It may not be possible to verify the signatures in this
office. In the case of officers of the Medical Dept. the S.S may
be in a position to verify the signatures but in the case of
private practitioners, who may obtain the signatures of any
Civil officer, even this may not be possible.

I have the honour to be

MM/

Copy of an extract from letter No.1-13-1/44-IAMC date 27th December 1943 from the Director General, I.M.S. New Delhi.

The Vouching certificates in respect of both the candidates have been signed by the officers of Mysore State and thus these certificates should have been countersigned by a responsible officer of the Political Department accredited to the State. In this connection attention is invited to this office endorsement No.38-1/43-Pt.II R.II. dated the 30th August 1943. The certificates, are therefore, returned herewith for necessary compliance and early return.

Corrigendum No.38-1/43-Pt.II R.II dated the 3 th Augus 1943 from the Director General, I.M.S. New Delhi.

In the memorandum regarding the procedure for the disposal of applications for Emergency Commissions in the Indian Army Medical Corps, forwarded with this office letter No.38-1/43-R.II.Pt.II dated the 10th May 1943.

Add the following as a new sub-para, after sub para 3 of para I ending with the words "The date of birth given in the application form must accord with that furnished in the Matriculation Certificate etc.,

"The Vouching certificate to be submitted by a candidate with his application form is required to be signed or countersigned by an officer holding a King's Commission or a Civilian gazetted officer of a Central or Provincial Service in all cases. When the certificate is signed by a person not of the status required by this rule, the countersigning officer should be satisfied, from his personal knowledge of him, that he is a fit person to vouch for the candidate. In the case of a candidate practising in, or who is a subject of an Indian State, the vouching certificate may be signed by any responsible officer of the State provided that it is countersigned by any responsible officer of the Political Department accredited to the State Concerned.

"Where

Where a candidate is not able to produce a Vouching certificate as above, or where the Administrative Medical Officer is not satisfied with the Vouching Certificate, a police report regarding his antecedents must be obtained before he is appointed.

In the case of evacuees, it is essential that the person signing the vouching certificate knew the candidate in the country from which he was evacuated. Evacuees may not be in a position to comply with the rule regarding the qualifications of the persons entitled to vouch for them as in the preceding sub-para, in which case they should be requested to furnish the names of atleast two persons of good standing (not necessarily Govt. officials) who are at present in this country and who knew them in the country from which they were evacuated, and to whom reference may be made.
